## Public Hearing Notice

### Orange County Solid Waste Local Enforcement Agency Proposed Revision of Solid Waste Facility Permit for Frank R. Bowerman Landfill

The Orange County Solid Waste Local Enforcement Agency (LEA) is planning to hold a Public Hearing on April 1, 2004 at 2:00 p.m. for the proposed revision of Solid Waste Facility Permit (SWFP) for the Frank R. Bowerman Landfill (FRB). Signs will be posted at FRB Landfill directing traffic to the Hearing Room.

The proposed revision to the permit would allow a 25% increase in permitted daily tonnage from 8,500 to 10,625 tons of municipal solid waste (MSW) per operating day for 36 unspecified days each calendar year (the annual average daily tonnage limit will remain unchanged). The purpose of the proposed increase is to more effectively manage the high daily flow of MSW into FRB Landfill typically associated with the six major holidays, large-scale construction and demolition projects, or unforeseen or unusual circumstances.

The Public Hearing is for all interested parties to provide comments on the LEA's proposed action to revise the SWFP for FRB.

Public Hearing Date & Time:  
**April 1, 2004 at 2:00 pm.**

#### Hearing Location:

Public Hearing Place:  
**Conference Room  
FRB Landfill  
11002 Bee Canyon Road  
Irvine, CA 92602**
